- **Total acidity:** 6.33
- **pH:** 3.26
- **Volatile acidity:** 0.29
- **SO₂Free/Total:** 30/100
- **Suitable for vegans**

Winemaking

The Verdejo grapes are a selection from our best vineyards located in the towns of Rueda, La Seca and Alaejos.

Night harvest to ensure the grapes reach the winery in the best quality conditions.

The grapes are pressed in a gentle and very controlled manner to avoid undesired extractions. The must obtained is taken to stainless steel tanks where alcoholic fermentation takes place at controlled temperatures.

We seek at all times to promote and preserve the primary aromas typical of the variety.

Vintage / Harvest description

The 2020 vintage was the 40th anniversary of the Rueda D.O. Harvest began on the 1st and ended on the 25th September with yields down 2% on the previous year. After a mild year, the harvest took place calmly and enabled selection in the vineyards. The grapes arrived at the winery in optimum health and ripeness. Predictions for the wines are unbeatable since the quality parameters are perfect for making wines with good volume and acidity on the palate, as well as being aromatic.

Tasting notes

Elegant pale yellow with green highlights.

The nose is aromatic with tropical fruits, citric and herbaceous notes, such as fennel and boxwood.

On the palate it is fresh and persistent with a long and fruity aftertaste, inviting us to continue tasting.

Ideal to be enjoyed at any time, with or without accompaniment.

We can pair it with seafood, fish, even with exotic sauces.

Recommended serving temperature 8-10°C.
